## Fellow Red Eagles: Memorial Day

### Red Eagles;

Today we celebrate Memorial Day. On this day let us take the time to remember and honor those that have served our great country and those that have made the ultimate sacrifice to keep this nation free.

Let us remember all

the brave men and women serving in today's military and hope for their safe return to their homes and loved ones after serving their country. As I look at today's military members, they seem so young, yet eager to take up to the task.

Gail Peck and Earl Henderson are looking for any and all items, documents and information related to the 4477th TEF/TES. As you may not know, most of these records were destroyed when the Pentagon was hit

on 9-11.

Gail and Earl would appreciate any information/stories and items that you would like to share or donate in order to rebuild the records and history of our unit.

I would like to thank you for your service. I feel honored and proud to have served with you and the Red Eagles. We are part of this great nation's history, help rebuild the past history of our unit.
