Fellow Red Eagles: Veterans Day

Red Eagles;

Today we celebrate Veterans Day. I am proud to have served with many of you. To all of you, thank you for your service. Let us take the time to remember and honor those that have served our great country. You have all made a differ-

ence by answering your country's call. Your service and sacrifice has kept this nation free.

Let us remember all the brave men and women serving in today's military and hope for their safe return to their homes and loved ones. Take the time to thank our veterans returning from the middle east and around the world for their service.

Gail Peck and Earl Henderson are still looking for any and all items, documents and information related to the 4477th TEF/TES. Most of these records were destroyed when

the Pentagon was hit on 9-11.

Gail and Earl would appreciate any information, stories, photos, documents and items that you would like to share or donate in order to rebuild the records and history of our unit.

You can submit articles and photos to me for future newsletters.
